## HOTEL
LINCOLN
THE ELECTRIC HOTEL

INSTITUTE FOR
WASHINGTON'S FUTURE

A 501(c)3 non-profit

The Institute promotes community development that re-empowers our rural communities as the social and economic backbone of Washington State by working to create enterprises and partnerships toward a just, sustainable, and integrated regional economy that works for all.

HOTEL LINCOLN

The Hotel Lincoln was built in 1902 by the Harrington Improvement Company, a local group of ranchers, farmers and businessmen. The purpose was to provide housing and meeting space for the continued development of Harrington.

Purchase your personalized brass plate and be part of the restoration of the historic Hotel Lincoln in Harrington, WA.

What Your Brass Plate Will Do....

When you purchase a personalized brass plate, you will be replacing a window in the Local, State & Nationally Registered Historic Hotel Lincoln. Your plate will be proudly displayed on the building as a permanent record of your contribution towards the restoration.

DONATED

Window Restoration Project

Third street future view of Hotel Lincoln restoration

To sponsor an entire window, the minimum donation is $850.

You will get a personalized brass plate for every window sponsored.

A donation in **any** amount is very much appreciated, will be acknowledged and is tax deductible! Simply complete the information on the back of this form.

THE GOAL

New windows in the hotel, beginning with the 3rd street storefront, will make it ready for interior finishing. The plans for the storefront are to get it operational as soon as possible to house a local business. Work on the rest of the building is ongoing.
